Unless otherwise noted, all actions were taken on motions duly made and adopted unanimously.

ADMINISTRATION

Steve Millard, President, Idaho Hospital Association, and Susie Pouliot, CEO, Idaho Medical Association, presented information regarding their organization activity and answered questions from Board members. Discussion included recent legislation, actions by both organizations and discussion of future initiatives. The members expressed their appreciation to both guests for their willingness to participate in the meeting.

With current budget restrictions and pending Division of Financial Management (DFM) approval, the Board acted to approve a request for funds for Leo Harf, MD, and Michael Johnson, Public Member, to attend the annual Federation of State Medical Boards (FSMB) meeting in April. (Jackson/Unanimous) In further action, the members reviewed the proposed resolutions to the FSMB House of Delegates, acted to support all of the resolutions, except 09-5 requiring reporting of license withdrawal, and gave direction to the voting delegate, David McClusky, MD. After discussion and review, the Board members declined to support the Communication Access Fund (CAF) proposed by the Council for the Deaf and Hard of Hearing. Members agreed that the Medical Practice Act did not provide the statutory authority to create and fund a CAF to provide for the services of interpreters and, therefore, it is contrary to law for the Board to subsidize physicians' practices. The Board determined it remains the responsibility of the health care provider, physicians, nurse practitioners, dentists or other providers, to provide reasonable accommodation in accordance with the American with Disabilities Act (ADA), as specifically needed for their patients. (Jackson/Unanimous)

The Board reviewed the 2008 licensure and discipline report.

Members reviewed recent proposed legislation for Emergency Medical Services, Occupational Therapy and the J-1 Visa.

The Board acted to approve the draft of the Physician Assistant legislation incorporating the recommendations of the Idaho Physician Assistant Association and the legislation pursuing investigative subpoena authority. The Board directed staff to begin the legislation drafting process for the 2010 legislative session. (McRoberts/Unanimous)

Paige Cline, PA, answered questions and reaffirmed that the issue of independent practice is not a goal for physician assistants nationally or locally.

IDAPA 22.01.01, Rules of the Board of Medicine for the Licensure to Practice Medicine and Surgery and Osteopathic Medicine and Surgery in Idaho and IDAPA 22.01.03, Rules for the Licensure of Physician Assistants were noted as approved by both the Senate and the House Health and Welfare Committees of the Legislature.

The Board acted to leave Executive Session at 2:45 p.m. (Motion/McRoberts – Affirmed/Harf, Marano, McGeorge, McClusky, Sutherlin, Jackson and Melendez)

Applicants BOMA 2163 and BOMA 1838 failed to appear at the scheduled time for interview. The applicants will be advised that their applications have expired.
