GENERAL CHECKLIST FOR POLYSOMNOGRAPHY TECHNICIAN APPLICANTS

** Questions? E-mail claudia.lawson@bom.idaho.gov **

Fee must accompany application. **APPLICATION WILL NOT BE PROCESSED UNLESS ACCOMPANIED BY THE APPROPRIATE FEE.** Amount due is indicated on application. **NOTE:** Applicants with an active Idaho Respiratory Therapist license may apply for and obtain a permit for polysomnography related respiratory care without paying an application fee. *Fees are nonrefundable.*

Applications must be on forms provided by the Board and all sections must be complete. Please type or print in ink. Applications must be legible.

Front page of application: If applicant has not applied for licensure/registration/permit in other states, write “Not Applicable” in the appropriate section.

Back page of application:

Chronological account of time – Account for **all** periods of time beginning with the month applicant last received training/education up to the present time, leaving no gap in time of more than one month. Attach additional pages if necessary.

Questions – Answer all questions 1-8. Provide details, for *YES* answers, on a separate sheet. Court documents may be required.

Photo – Does not need to be a professional photo. A **clear** and **in focus** 3”x4” snapshot taken of the head and shoulders only, with a digital camera, is a good choice. Passport photos are also acceptable.

Notarized – Application must be notarized and signed in **all** of the appropriate places by a notary public.

Certificate of Professional Education (Form 1): Fill in the top section. Be sure to indicate the certificate/degree **and** the field of study, the date certificate/degree was received, and sign **at the bottom** of the section. Send this form to the school (Program Director or Registrar) where applicant received professional education. The school will then send the form to the Board of Medicine.

Verification of Training (Form 2): This form may be duplicated. Fill in the top section. This form is for applicants that are not registered polysomnography technologists. This is required from **every facility** where the applicant received training. Form must be notarized and signed. An applicant for a polysomnographic technician permit must provide evidence of the successful completion of a minimum of **seven hundred twenty (720) hours** of experience as a polysomnographic trainee with documented proficiency in polysomnography related respiratory care services. **NOTE:** Supervisor must be a polysomnography technologist/technician with an active Idaho permit, permanent licensed respiratory care practitioner, and/or physician. If training was done outside of Idaho, supervisor does not need to have an Idaho license/permit.

Certificates of Recommendation (Form 4 & 5): Fill in the top section. Send this form to **two** individuals who have known the applicant professionally for at least **one** year (**no relatives**). Recommendations must be on the form provided or on letterhead addressed to the Board of Medicine. Names and addresses must be legible.

Verification of Registration/Licensure/Permit (Form 6): This form may be duplicated. This is required from **every state** where the applicant has ever held a registration/license/permit and must come directly from the state to the Board. **NOTE:** Most states require a fee for this service, paid in advance. It is strongly suggested that you contact the state(s) before sending your request to prevent delays and to determine the best way to send required fees.

CPR Certification Verification: Applicant must be currently certified in cardiopulmonary resuscitation (CPR). Please provide a photocopy of current CPR card.

FAXED and emailed supporting documents can be accepted, but the hard copy is preferred. The applicant’s section of the application **cannot** be faxed. FAX# (208) 327-7005.

PLEASE NOTE: Forms received prior to receipt of application and licensure fee will be held in a “Misc. Forms” file for up to one year. After one year, the forms will be thrown away.

No practice is permitted prior to issuance of a permit number.

Applicants are advised not to enter irrevocable contracts, purchase or sales agreements, on the assumption that a permit will be granted.

**STATEMENT REGARDING DISCLOSURE OF
SOCIAL SECURITY NUMBERS**

The Idaho State Board of Medicine (hereinafter Board) requires disclosure of social security numbers on all applications for initial licensure and renewal. Disclosure of social security numbers is mandatory for purposes of enforcing child support orders under Idaho Code § 7-1416 and compliance with the requirements of the federal National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank, as required by 45 CFR §§ 61.1 *et seq.* If this Board is required to make a report about an applicant or licensee to the Idaho Department of Health and Welfare or either of these data banks, the report must contain that individual's social security number. Failure to provide a social security number for these mandatory purposes will result in denial of an application for initial licensure or renewal.

An applicant for initial licensure or renewal may also voluntarily disclose his or her social security number for release to other state regulatory agencies, testing and examination vendors, law enforcement agencies, and other private federations and associations involved in professional regulation, such as the Federation of State Medical Boards' Physician Data Center. The Center compiles information about individual applicants and licensees and transmits that information to other licensing boards in order to coordinate licensure and disciplinary activities between the individual States. Such disclosure is for identification purposes only. Social security numbers will not be released for any other purpose not provided for or allowed by law.

I do _____ do not _____ give the Idaho State Board of Medicine permission to disclose my social security number to other state regulatory agencies, testing and examination vendors, law enforcement agencies, and other private federations and associations involved in professional regulation.
